

AMENDMENT TO THE SEQUENCE LISTING

Please replace the computer-readable copy of the sequence listing filed on January 19, 2007, with the substitute sequence listing submitted on March 24, 2009.

REMARKS

This paper accompanies Applicants' Renewed Petition Under 37 C.F.R. § 1.181 to withdraw a holding of abandonment based on failure to receive the Notification of Defective Response allegedly mailed by the Office on August 24, 2007. The Notification of Defective Response alleged that the computer-readable form of the sequence listing supplied by Applicants on January 19, 2007, failed to comply with 37 C.F.R. §§ 1.822 and/or 1.823 in that no file was contained on the computer-readable media. Applicants filed a Response to Notification of Defective Response on March 24, 2009, submitting a computer-readable form of the Sequence Listing (.txt) and a Sequence Listing Paper Copy. Applicants respectfully request entry of the substitute Sequence Listing filed March 24, 2009, which is in compliance with the requirements of 37 C.F.R. §§ 1.821-1.825. No new matter has been added by the substitute Sequence Listing.

No fee is believed to be due with the filing of this paper and the enclosed substitute sequence listing. However, the Commissioner is hereby authorized to charge any fee deficiency to our Deposit Account No. 13-2855, under Order No. 30986/40924.

Dated: June 19, 2009
